

KEENDESIGN WHEELS CATALOG 2018  
DESIGNED AND ENGINEERED FOR KIA

# ABOUT KEENDESIGN

**KEENDESIGN** was established in 2016 with the purpose of building a brand dedicated to serving the Korean Domestic Market (KDM) automotive community. Our unique wheels and automotive accessories were created with both automotive enthusiasts and daily drivers in mind. Our wheels are exclusively designed and engineered to maximize the personality and performance of Kia vehicles. **KEENDESIGN** offers both cast alloy and mono block forged wheels that reflect our passion for awakening a sense of self expression and stylistic identity within our consumers. We take the upmost pride in producing a finished product that will meet your functionality, performance, and aesthetic expectations.

*Hub-centric wheels specifically designed  
and engineered for Kia.*
